I understand that these are being prepared for leadership as information in advance of next week's CEQ meeting, but that decisions about the content and the timing of signing the letters will be informed by that meeting. Our front office raised the question with us yesterday about

DELIBERATIVE

Jeaneanne and Steve—I made a slight edit to the FDEP draft to show a potential additional first sentence to the footnote to

Ex. 5 Deliberative Process (DP)

# Ex. 5 Deliberative Process (DP)

Note that I accepted Rosemary and Kathy's other edits to generate these clean versions.

Suggest you give this a look and provide any comments or edits to facilitate these drafts being available for leadership later today, in preparation for next Tuesday's meeting. I understand that the FR draft is in progress too and we may be able to move that draft up later today or Monday after you get a chance to look.

Thanks,  
John
